

So , today is a Valentine's day. It's a sad day for me. Even If I wanted to be happy on this day, it is impossible.

When I was having a shower, I got a message. Who is it? - I thought

-,Hello dear, will we meet in the forest at 9 p.m.? Please answer."

I felt sick. However, I thought I would write back.

Maybe, there is hope.

Luck smiled to me today.

I would like to feel love, the presence of another person and support.

When I was 5 years old I lost my parents, they died due to excessive radiation.

-, Hi. OK, we will meet in forest.

Wait for me. "

---

So I got ready to leave and went out to meet them.

It was dark everywhere, I could barely see the moonlight anymore, I could only see leaves dancing in the wind.

Someone was close by, I heard several footsteps.

I looked around, maybe I could spot someone.

Suddenly, a tall and handsome man appeared before my eyes.

-Hello, I' ve been waiting for you Emma

- I don't understand...

-Fate wanted us to meet.

I looked into his blue eyes, they were so beautiful. I could drown in them, as if they enchanted me.

I looked at him, his skin was pale, and there was sadness painted on his face and those tears, tears.

- Why are you sad? Is there anything I can do to help you?

- I would like someone to accept me as I am.

He grabbed my hand, walking with me to the deeper side of the forest.

In the distance, I saw an inflated balloon that was ready to fly away.

- I invite you to a trip.

I felt so happy that I didn't even have any doubts that I wanted to take this flight.

-I insist, a beautiful red rose.

He smiled at me and I soon noticed large fangs.

He came closer to me and kissed me gently...

His hand went rapidly towards the bags propelling the balloon.

Fire rose inside...

He popped and I felt myself starting to burn, I couldn't breathe. I cut the basket with my knife and jumped out landing on a hill....

I closed my eyes and took a deep breath.

I felt a touch on my shoulder for a moment.

I opened my eyelids slowly, and a man I had known since I was very young appeared before my eyes.

-So relax, everything will be fine now.

He hugged me and I felt calm and hopeful.
